

SAHK Jockey Club Elaine Field School
2022-2023 Parents Notice
Transfer of personal particulars to the Department of Health

1st September, 2022

Dear Parents,

[This is the summary of the Chinese Version as attached]

As per instructions from the Department of Health, the school is required to submit the personal particulars of a sick student who contracts one of the notifiable infectious diseases (for example: Chickenpox, Hand foot mouth disease, Scarlet Fever, etc.) to the Department of Health. The information is meant to facilitate the Department to contact the parent, to follow up the progress of the sick student and to offer information on the related matters.

Please sign the approval form for record sake on or before **8th September, 2022 (Thur)**. For inquiries, please contact nursing officer, Ms. Chan Wai Ling at 23489506.

Thank you for your attention.

Mr. Suen Yau Man
Principal

Reply Slip

To whom it may concern,

I agree School transfer the personal particulars of my child to the Department of Health if my child contracted one of the notifiable infectious diseases.
