2022-2023 Parents Notice
CLP Fuel Cost Subsidy Programme

27th April, 2023

Dear Parents,

[This is the summary of the Chinese version as attached]

Please be informed that CLP Power has launched the CLP Fuel Cost Subsidy Programme to alleviate the burden on underprivileged households in 2023. CLP Power will provide one-off fuel cost subsidies of HK\$600 to eligible households. Our students are one of the beneficiaries.

Due to the limited quota of subsidy, first-time applicants will be given priority. Parents interested in applying for the subsidy, please complete the reply slip and hand in a copy of your recent electricity bill **on or before 3rd May, 2023 (Thursday)**. Overdue or full quota will not be considered. For any enquiries, please contact our school social workers at 2348 9506.
