2022-2023 Parents Notice  
"Recruitment of Long-term Volunteers" Announcement

[This is the summary of the Chinese version as attached]

16<sup>th</sup> March, 2023

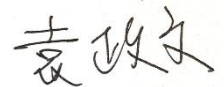

Dear Parents,

In order to strengthen home-school cooperation, the PSA has been encouraging parents to participate in the voluntary work of the association. On the one hand, it can deepen parents' understanding of the school, so that the family and the school can be closely connected; on the other hand, it can set a good example for children and promote Parent-child relationship. The scope of service of parent volunteers includes: serving as lunch break activity instructors, story book sharers, assisting in visiting activities, organizing books, participating in community services, etc.

The PSA sincerely invites your parents to join us as parent volunteers, to bring into play the spirit of home-school cooperation, and work together for the development of children and the school. If your parents become parent volunteers, the school will contact your parents about volunteer service arrangements.

Please fill in the reply slip and return it to the school **on or before March 23 (Thursday)**. If you have any enquiries, please call 2348 9506 to contact Ms Wong Wai Tung Ellen, the vice communication's coordinator of the PSA.

Yours sincerely,

Ms Yuen Ching Man  
Chairman of PSA
