2022-2023 Parents Notice
Provision of Outdoor Community Living Skill Training

12th January, 2023

Dear Parents,

[This is the summary of the Chinese Version as attached]

The school is going to provide a series of outdoor training programmes of community living skill to improve students' capability of independency, self-determination, social interaction and problem-solving ability to deal with a contingency or emergency to enhance their self-confidence for community integration and to prepare for their future adult life. The training will be from the February of 2023 to the mid of July 2023. It will be carried out in the Friday afternoon. The details of the training will be informed later through the students' handbooks. For the sake of developing our students' responsibility, please supervise your child to prepare his octopus-card and other basic necessities (such as smart phone, water, towel paper, alcohol liquid and surgical mask) for outdoor activity before the training. He/She should wear a surgical mask properly, keep a proper social distance and wash hands properly to keep personal hygiene.

Please complete and return this reply slip **on or before 19th January, 2023 (Thursday)**. For any inquiries, please feel free to contact the Occupational Therapist, Ms. Chan Siu Kwan at 2348 9506.

Mr Suen Yau Man
Principal
